Re: South Carolina Electric & Gas Company's ("SCE&G") Request for Approval of
Revisions to Rate PR-1, Small Power Production, Cogeneration
Docket No. 1995-1192-E.

Dear Mr. Terreni,

This is to inform the Public Service Commission ("Commission") that the Office of Regulatory Staff ("ORS") has reviewed the above referenced request of SCE&G to revise Rate PR-1. Based on the information reviewed, ORS has no objection to the requested revisions to this tariff which provides the credits and charges the Company will apply to Qualifying Facilities under PURPA. In addition to updating the credits and charges the Company has included a capacity credit that was not previously applicable.

Thank you for the opportunity to provide our comments in this matter.

Sincerely,

John W. Flitter
